Generally, essential businesses that may remain open are defined as those people rely upon in their day-to-day life. Even establishments that are allowed to remain open should practice adequate social distancing and sanitizing for both employees and patrons. Businesses within shopping malls are treated on an individual basis.

No one is prohibited from working remotely from their home.

Below are non-exhaustive lists of businesses that may remain open and those that shall close. If you have questions about whether a business may remain open, please contact the Fresno City Attorney’s Office e-mail EmergencyOrderFAQs@fresno.gov or call (559) 621-8400, and check this list for updates.
